GREENBACKS ARE GOOD.

York paper, describing in glowing terms the third concert of the night season of the

Brooklyn Philharmonie Society which took

place in the Academy of Music last Satur

ay evening, we find a flattering notice of a

dy well known in this city. The pro-

Symphony; Beethoven's Overture to Eg-

iont; Mendelssohn's music to Mid-Sum-

mer Night's Dream; Mendelssohn's Concer-

to, in G minor, and Wallace's Pantasis on

Richard Hoffman, and the Scene from Der

reyschuts and another selection sung by

The Metropolitan Journal says:
The vensitie of the evening was Miss
Mary Louise Segur, who debuted on the occasion. She is quite a navice, and is still
studying her profession alreadily and carrestly. Her voice, which is not yet fully developed, gives evidence of a fine and available quality, but requires equalizing and
strengthening in the middle register. Her
style is good, she has a most preposecaing

strengthening in the middle register. Herely is good, she has a most preposessing appearance, and seems to take well with her audience. Her selection of songs was too ambitious for her present powers; still her efforts met with the sympathy of the majority of the audience, and the appiance was very general and lavish. Miss Segarthus excellent natural qualifications, and needs only patience and intelligent study to achieve a good obstition.

THE OTERO MURDER CASE

Pellicier is Found Guilty

From New York.

NEW YORE, January 25—Detectives of his city yesterday arrested Albert Beach and Vm. Golden, two young men formerly in he employ of the N. Y. & E. R. R. on a harge of having committed a succession of obberies on the trains of that road, amountained to the control of the contro

ing in all to over \$100,000. A large amount of the stolen property had been sold to citizens of Port Jervis, Orange County, N. Y., which was seised, and is now held for iden-

murder of Jose Garcia Otera, was brought to a close, yesterday, in the Brooklyn Court of Oyer and Terminer. The jury, after an absence of one hour returned into court and rendered a verdict of guilty. The prisoner exhibited no emotion on this announcement being made. Gonzales and Pellier will be both arraigned for sentence at ten o'clock

A meeting of the stockholders of the Co-imbian Marine Insurance Co. was held yes-orday P. M., at which action in regard to

the late suspension of that company was taken. It is estimated that their assets are sufficient to discharge all its liabilities and

eave a surplus of over \$1,000,000, and it was manimously resolved to initiate measures or resuming business with a espital not ex-

Meeting.

A meeting of the Shoemakers' Protective Association took place in this city last evening, at which resolutions were adopted in favor of repealing the tax on shees, as it falls on comparatively few persons, for out of nearly 9,000 workmen in this sity it is said only 130 pay the tax.

The English Cattle Disease.

The Tribune's Washington special says the United States Consul at Manchester, un-der date of January 6th, informs the De-

friving in of beeves for slaughter, and re-mire that they shall be killed where fed,

and the meat only brought to market. The whole number of cases thus far reported for England is 73.549, and of this number 35,425 have died or been killed.

Hurder.

A coroner's investigation of the circumstances attending the death of Martin Holey, resulting, as alleged, from a pistol shot wound by Henry Carwin, second mate of the steamship Manhattan, during a fight on board of that vessel on Tuesday among several employees, took place yesterday. The evidence of several witnesses was taken, after which on a verdict of the jury finding Carwin guilty of firing the pistol shot, he was committed to await the action of the Grand Jury.

Foreign News.
